

# Certificate of Participation

We here by certify that student **Asma Ahmed**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Atsnagn Kifle**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Bethelhem Atnaf**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Bilise Hussein**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Biruk Alamerew**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Dilamo Wondimu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Elias Amha** have served as instructors in the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Elias Amha** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Elshaday Mekuriaw**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Enat Seifu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Ephrem Daniel**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Fikreab Mekuriaw**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Frehiwot Getachew**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Hana Tesfahun**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Hanan Beshir**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Hayat Ahmed**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Hayat Shukure**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Meaza Nigusu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Mebatsion Sahle**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Mebatsion Sahle** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Mikiyas Zeleke**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Moges Kelali**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Mukerem Ali** have served as instructors in the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Mukerem Ali** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Nathanael Bogale**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Natnael Kiflu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Ofgeha Gelana**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Samuel Terefe**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Seid Mengistu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Seretse Firesibhat**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Siraj Yesuf**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Sudeys Abas**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Temkin Mengistu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Temkin Mengistu** have coordinated the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Weldegebrial Belete**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Wendirad Demelash**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Wendirad Demelash** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Yahya Fati**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Yeabtsega Gashaw**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Yonathan Assefa**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Abdi Adem**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Abdi Elias**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Abdulmejid Shemsu**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Abinet Tassew**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Abinet Tassew** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Admasu Abera**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Alima Seid**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Almaz Lammecha**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Participation

We here by certify that student **Amanawit Gezahegn**, being a member of the CSEC Competitive Programming Division, have participated and completed the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Amir Kheiru** have served as instructors in the summer ICPC training held from Aug 5 to Sep 5, 2019 at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Amir Kheiru** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.

# Certificate of Appreciation

We here by certify that student **Abdi Adem** have coordinated  
the summer ICPC training held from Aug 5 to Sep 5, 2019  
at Adama Science and Technology University.
